

# ConnectionsIT

**ConnectionsIT has Earned a Reputation as a “Can Do” System Integrator Among Indian Nation Casinos for Providing Reliable and Cost Effective Security Video Surveillance Solutions**

ConnectionsIT works with all types of tier-one alarm, access control and video surveillance product and service companies to create the right security solution for a particular casino environment. ConnectionsIT has a long and impressive history of working with Native American casinos such as the Comanche, Muscogee Creek, Choctaw, Paiute, and several Pomo Bands to incorporate the industry’s best product providers into solutions that deliver results.

ConnectionsIT has offices in California, Nevada and Oklahoma, and has successfully handled casino video surveillance system upgrades and expansions, as well as totally new system designs and installs. ConnectionsIT has an experienced staff of 30 professionals who are solution partner certified and capable of handling any type of video surveillance or IP challenge.

ConnectionsIT routinely works with such industry leaders as Axis, Panasonic, IQInvision, Genetec, Pelco, Lenel, Pivot3 and HID and to incorporate the latest technology into their system solutions. ConnectionsIT is customer focused and believes in delivering the best service possible.

Today's video surveillance, monitoring, storage and management systems are very complex and must be integrated into the overall security network of any casino operation. These systems must be reliable, easy to operate, and have a diagnostic capability to prevent system failure and product outages. The security systems also must meet the operating standards of the various Indian Nation Gaming Commissions.

Aside from its casino security expertise, ConnectionsIT has a proven track record for the design and implementation of IP telephony systems, Medical Record systems, Citrix Server, supporting Microsoft servers and workstations, and Cisco network engineering.

ConnectionsIT Founder and President Brody Carlson has 10 years of front-line system integration experience in troubleshooting and repairing existing casino video surveillance systems. Brody has a degree in criminal justice and served in the Marine Corps for 10 years as a tactical officer in an air defense unit. Brody also volunteers as a Reserve Police Officer. He is certified as a MSCE, CSE, CCA and CCSP.
